

Return to bedroom → Turn on PC → Goes on
Canvas

check
To-do list

~~Adjust monitor
brightness~~

Start with nearest
deadline from
easiest to finish

start daily spanish
homework/quiz

~~clicks on multiple wrong
modules before finding
intended module~~

Use lecture slides on
second monitor for help
on homework
(advised by professor to do so too)

~~professor
did not utilize
Canvas and
only provide a link
to an external
website~~

Check CS 577's
professor website
for homework files

Check game
design project
requirements

Communicate with
teammates on
progress on
their group
projects

~~Needs to
establish
communication
through 3rd
party apps
instead of
Canvas~~

set personal
deadlines to
have assigned
work completed
